

## Frequently Asked Questions

***Q: Why do we order costumes so early?***

A: Many costume companies receive orders for costumes from multiple studios at the same time, so we order costumes this early in the year to ensure that our order is processed and delivered before the recital.

***Q: How do I measure girth?***

A: To measure girth, start the measuring tape at the top of your child's shoulder, drape it down the front of his/her body, through your child's legs, back up his/her back to meet at the shoulder again.

***Q: When & how should I pay for my child's costume?***

A: This year parents can either pay by check or by credit card. If you choose to pay by check, please include a check for \$65 per costume for girl's XS-LG Child or \$70 per costume for girl's XLG Child - LG Adult when you hand in your order form. If you are paying by card you must purchase costumes at the dance store during regular store hours. The form and the money is due by November 1st. Please remember that any form and check received after the 1st will be charged a \$25 late fee.

***Q: Who should I make the check out to?***

A: All checks should be made out to Broadway Bound Dance Center or BBDC.

If you are enrolled in more than nine classes, continue your costume order onto another form, and staple the two forms together.

Please fill out one form per child performing. More order forms can be found at the front desk in the main building or at the BBDC Store.

### **Measurement Guide**

Your child may have measurements that fall under more than one size. If you are having trouble choosing, remember that girth is the most important measurement and that costumes can always be tailored to be smaller, but cannot be made bigger.

\*BBDC can assist parents in measurements. However, it is the parents' final decision on the costume size and BBDC cannot be held responsible for incorrect costumes sizes.
