Costumes and Dress Code

Costumes will be going home the week after April Vacation. Please take your costume out of the bag and hang it up as soon as you receive it. Please do not iron your costumes. If they are wrinkled hang them in the shower and allow the steam to release the wrinkles.

Hair for all female dancers will be a low ballet bun with a part in the middle. Pink and Mini core will NOT be wearing their piglets for the recital. Pre-Ballet should do a bun without a part.

All female students should wear black eyeliner and black mascara. No lipstick is required as everyone will be in masks.

Team and Core dancers should wear their black performance masks for the dress rehearsal and all performances. Recreational students will be provided a mask to be worn for their recital performance. You will not need to wear this mask for dress rehearsal.

All females should wear tan convertible tights for all of their dances except for ballet which will be pink tights. We ask that dancers put their pink tights over their tan tights to accommodate quick changes.

Recital shirts will be handed out as soon as they come in. Dancers will wear these for the finale so please remember to bring them with you to all of the performances.

Dress Rehearsal

Dress Rehearsals will be held on Tuesday, May 11 and Wednesday, May 12. Please see the chart above to see which recital and dress rehearsal your child is performing in. Please arrive 15 minutes early with your hair already done and dressed in your first costume. Makeup is not required for dress rehearsal. Parents will not be allowed into the building for dress rehearsal except for Pink Team and Pre-Ballet. Pre-Ballet will go first at dress rehearsal and will be allowed to leave right after they finish. All other dances will run in show order and students may leave when their last dance is finished.

Recital Day

Please arrive 30 minutes before your designated show time with your hair and makeup already done.

The audience will be allowed to enter the theater approximately 10 minutes before the show begins. Please wait outside the building for a BBDC Staff member to let you in. All audience members must wear a mask to attend.

Pre-ballet will be escorted to the audience to sit with their parents after they dance and a BBDC teacher will come get them for before the finale.

Tickets

This year we will not be selling individual tickets. Each student will be asked to purchase a performance package of \$85. Each package includes 2 tickets for audience members. All Team and Core students will receive 2 tickets to their main show and 1 ticket to their solo/duo/trio show (if siblings are in the same show, you will still only receive two tickets at most).

Performance Package fees are due Friday, May 7th. Tickets will be distributed at dress rehearsal.

In order to keep the performance package cost down we are not able to provide a livestream however we will offer a zoom option for each recital and will send links out the week before.
